Description :

PDF-f9d30 | The stages-of-change model has become widely known as a framework for conceptualizing recovery. Less well known are the processes that drive movement through the stages or how the stages apply to becoming addicted. From Carlo C. DiClemente, codeveloper of the transtheoretical model, this book offers a panoramic view of the entire continuum of addictive behavior change. The author illuminates the c... *Addiction and Change, First Edition: How Addictions Develop and Addicted People Recover (The Guilford Substance Abuse Series)*
