Description :

PDF-ad88b | The kindly, white-haired old fellow with the bushy mustache once called "the world's grandfather," Albert Einstein was easily the twentieth century's most remarkable and revered man of science. His leaps of imagination changed forever the way we look at the universe. He gained international celebrity by the very force of his personality, his wry sense of humor (often at the expense of himself), a... *Bite-Size Einstein: Quotations on Just About Everything from the Greatest Mind of the Twentieth Century*
