Description :

PDF-5d391 | Introduction from the Author "Oh, Cal Poly Pomona" is the mistaken response I often get when I tell people where I go to school. "No, Caltech," is the reply I give all too often. Caltech is a small math, science, and engineering school, so many people don't know about it. Often, people will describe Caltech as the MIT of the West. Since MIT is huge compared to Caltech and has a higher fe...
