Description :

PDF-21893 | Do our consumer choices really have a major impact on people and planet? If so, what can we do about it? Which companies and products should we support or avoid? And which ethical claims can we trust? The Rough Guide to Ethical Shopping cuts through the greenwash to answer these and many other questions. Without preaching or oversimplifying, it covers topics including - do boycotts work? Is buying... *The Rough Guide to Ethical Shopping (Rough Guides Reference Titles)*
