Description :

PDF-fd2da | This book aims at suggesting a selection of wines to accompany many dishes and represents a lifetime of delightful experimentation on the part of the author. The most satisfying aspect of this experimentation has been the research. There are few subjects to match wine in terms of delight in the quest for knowledge. The muse of wine visited the author when his mother introduced him to champagne wit... *The Grape Hope: A wine lover's guide to the marriage of wine and food.*
