Description :

PDF-72499 | Five million Americans want children but cannot conceive. One million couples seek infertility treatment every year, almost always without prior knowledge of the physical, emotional, and financial costs of high-tech conception (as a rule it is not covered by insurance), and without any way to judge the hard-sell come-ons of what is now a \$2-billion, for-profit, unregulated industry that preys on t... *High-Tech Conception: A Comprehensive Handbook For Consumers*
