Description :

PDF-8bb58 | For most of us, most of the time, keys are simply pieces of metal—things we stash in a pocket or purse, hardly thinking about them between uses. It's when we misplace one that the key reveals itself to be one of the most significant articles in the world. Without the right key, we're locked out—and in need of help. That's why we also use the word key in another, figurative sense: to stan... *The Key: Celebrated People Unlock Their Secrets to Life*
