Description :

PDF-29805 | The iPod Nano has been through seven different iterations since its introduction in 2006. Perhaps even more so than with the much-heralded iPhone and iPad, the Nano is Apple's favorite device to experiment with: larger capacities, different screens, complete redesign – the Nano has been a lot of different things over the years. But this seventh generation is something else entirely – a multi... *A Newbies Guide to iPod Nano*
