Description :

PDF-2b1bf | If you've been paying attention to the mobile phone world lately, there are two names that will likely jump to the front of your mind: Apple and Android. While these two companies get the lion's share of the publicity (and a proportionately large number of device sales), both of them were actually very late to the party.

Microsoft, it turns out, practically invented the smart phone. Back in th... *A Newbies Guide to Windows 8 Phone*
