Description :

PDF-d909a | Since the U.S. Department of Agriculture put into place the long-awaited National Organic Program, American consumers have finally had a set of nationwide standards for organic foods. But new standards raise new questions. What is organic food? What's the relationship between organic food and food labeled with terms like all-natural, free-range, hormone-free, and locally grown? Are organic, made wi... *Organic Food Guide: How To Shop Smarter And Eat Healthier*
