ISBN : #1515335100 | Date : 2015-08-04

Description :

PDF-b4297 | The present book contains a collection of aphorisms grouped into six sets of topics, all related to the overarching topic of liberty and useful in highlighting its various facets. Liberty is the central element of human nature. It is the essence of will, the source of creativity, and a prerequisite of virtue. As such, it is also the driving force of civilization and the foundation of any working s...
