Description :

PDF-a26ad | Signs of Life in the USA works in the classroom because students love to talk and write about popular culture. Signs of Life teaches students to read and write critically about pop culture by providing them with a conceptual framework known as semiotics, a field of study developed specifically for the interpretation of culture and its signs. Signs of Life, written by a prominent semiotician and an... *Signs of Life in the USA: Readings on Popular Culture for Writers*
