Description :

PDF-f4388 | When you witness a small child haul off and smack another child unprovoked, the theory of innate morality seems to lose all validity. Moral education has always been the domain of religion, and Linda Kavelin Popov has culled 52 universal virtues from the world's religions, one for each week of the year. The resulting Family Values Guide is a workbook for the moral education of children that transc... *The Virtues Guide: A Family Handbook*
